## NEW BANK OPENING PROVES DELIGHTFUL AFFAIR TUESDAY

Opening of the Bank of Maysville's New Home Is One of the Most Delightful Events in Maysville in Years.

The formal opening on Tuesday afternoon and evening of the Bank of Maysville's beautiful new home was one of the most delightful events of the year. All during the afternoon and evening the beautiful new banking room was crowded with visitors who were welcomed by the officers and directors or employees of the bank and shown over the entire building having all of the various departments explained to them in detail.

Truly the Bank of Maysville's new home is one of the most beautiful and complete banking houses within miles around. Just an inspection of the building is worth miles coming for and on Tuesday there were folks here from all parts of the county and from the neighboring counties in Ohio.

The Maysville Boys' Band was at its best during the reception and seated in the Directors' room on the second floor, they rendered sweet music which was so much appreciated by the officials of the bank that at the close of their concert, every member of the band was presented with a savings account in the Bank of Maysville.

The opening was really a high class affair that will be long remembered. The attractive interior was beautifully decorated with ferns and cut flowers and the women visitors were each presented with a flower while the men folks were led to a table groaning under its load of the highest class brands of cigars and invited to help themselves.

Maysville is indeed proud of this bank and its new home. A few more progressive firms who are willing to improve the city to this extent will soon make of Maysville the city it should be.

## BOLESHEVIKI ARE NOW DEMORALIZED.

Warsaw, August 25. — Kolno, an important town near the East Prussian frontier, north of Lomza, has been taken by Polish forces, which are sweeping rapidly northward in pursuit of the retreating Bolsheviks. Reports from various fronts, particularly the north sectors of the line, indicate that the Bolsheviks are demoralized and fleeing everywhere in disorder.

## TEACHERS INSTITUTE NEXT WEEK WILL BE INTERESTING

City Teachers Are Also Planning to Hear Prof. King's Series of Lectures—Many Visitors Expected.

Mason county teachers will gather here next week for their annual institute which this season will be quite a novel meeting because of the fact that there will be but one instructor. Prof. W. F. King, of Newport, will deliver four lectures a day during Institute week. Prof. Sanford Turnipseed, of Lancaster, Ohio, was scheduled for the other instructor but his sudden death upset all plans and Superintendent George Turnipseed was unable to make other arrangements.

There will be several other speakers, however, during the week furnished by the State Department of Agriculture, the Y. M. C. A. and other organizations.

All teachers in the county will be required to attend every session unless they can offer a good excuse and it is more than likely that many of the city teachers will also take advantage of this opportunity of hearing a series of lectures on teaching.

## ATTENDS BIG SHOOT

Dr. J. A. Simpson leaves this afternoon for Cleveland, Ohio, where he will take part in the Grand American Handicap Shoot which started there Monday. More than one thousand expert shots from all over the world are taking part. Mr. W. Houston Hall, of this city, former state champion, is participating in the big shoot. The Maysville men are expected to make good records.

## CARNIVAL MAN HELD FOR GAMBLING.

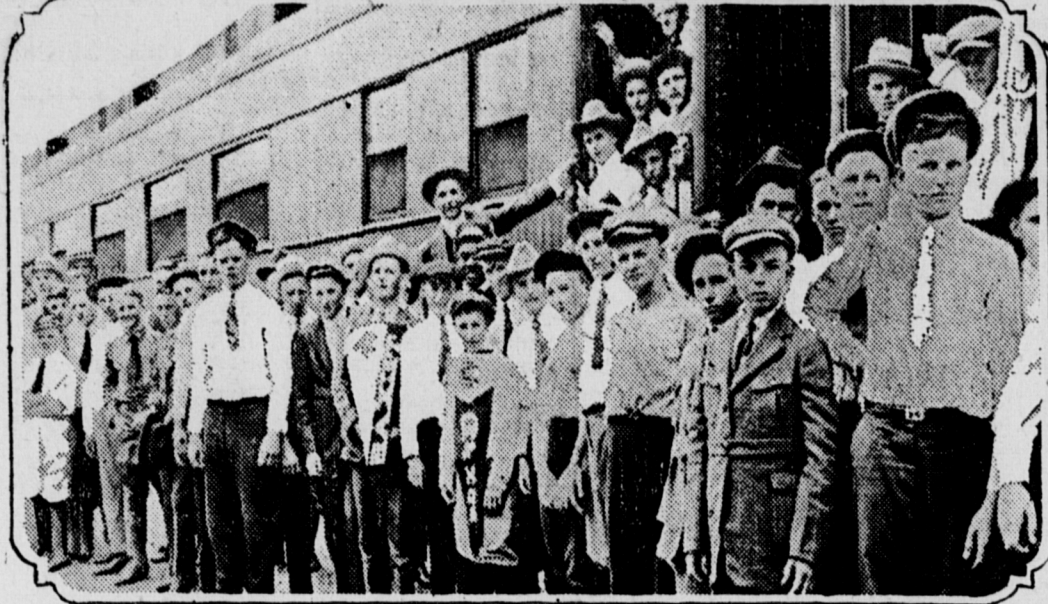

Thos. P. Littlejohn, proprietor of the carnival company at the Ewing Fair, was arrested Friday charged with conducting a gambling contrivance. His examining trial was set for Monday and when it was called he waived examination and gave \$200 cash bond.—Fleming Gazette.

## EAGLES HAVING BIG TIME.

The Public Ledger has just received cards from several members of the party of Maysville Eagles now touring the East and North following a meeting of the National lodge of Eagles. They are now in the city of New York and report that they are having the time of their lives.

County Agent George Kirk was called to Lexington yesterday on account of the illness of a brother.

## FARM BOYS ON 4000-MILE TOUR

One hundred and fifteen farm boys, who have recently won a competitive examination in agricultural subjects, were rewarded with a 4000-mile tour through the principal farming regions of the country. The trip took them through New York, Chicago, Detroit, Cleveland and Washington, ending at College Station, Tex. The tour was financed by the business men of Texas. Its purpose was to broaden the viewpoint of the future farmer boy and to enable him to meet agriculture problems with more intelligence.

## ENTERTAINMENT TO BE GIVEN WITH MOTOR TRAIN VISIT

Agricultural Experts Will Speak at Mass Meeting To Be Held at Court House—Singer Is Coming.

Starting from Cincinnati Monday, August 30, a train of 25 leading motor trucks and trailers on a demonstration tour through Central Kentucky will arrive here Thursday, September 2, at 4 o'clock.

The object of the tour is to acquaint the farmer with the hauling efficiency of modern motor trucks built especially for farm use. Owing to the scarcity of labor and the shortage of freight cars the motor truck fills a most important function in not only being capable of doing all kinds of hauling on the farm but also in delivering the products of the farm at the best marketing centers. As a result of the economic service they render, trucks are now in use on 50,000 farms where a few years ago they were unknown outside the large cities.

Lecturers and demonstrators with the traveling exhibit are giving demonstrations en route of the truck's value for all kinds of farm work. It is pointed out that pneumatic-tired trucks fitted with special bodies meet every requirement for speed and adaptability to loads of hay, grain, perishable products and live stock, as well as brick, stone and lumber.

Music and entertainment will be furnished at each stop by the Yolo Jazz Trio, which will accompany the tour. An added attraction will be the singing of "Sunshine Boy" Williams, who is doing wonderful community work in Cincinnati even though handicapped by total blindness. Williams lost his eye sight while serving with the A. E. F. in France.

A complete farm-lighting outfit will be carried on one of the trucks to furnish current to light up the motorcade at night and for the motion pictures.

A. H. Kroh, practical farmer and recognized authority on farm production and marketing, and Harry T. Frazier, truckportation engineer, have been secured as the principal speakers for this tour. Their talks will contain much valuable information and every farmer in this section should take advantage of the opportunity to hear what these men have to say.

Demonstrations will be made on nearby farms following the speaking and concert in town.

Much interest is being shown by the agriculturists in this section especially in the demonstrations and a large crowd is expected to be present when the motorcade arrives.

Arrangements are being made for a big open-air night meeting at the court house, starting at 7:30. The program will include a jazz concert and entertainment, special singing by "Sunshine Boy" Williams, the blind soldier and talks by Messrs. Kroh and Frazier.

## PROMINENT FLEMINGSBURG DRUGGIST TO WED.

Flemingsburg, Ky., Aug. 25. — Miss Reuby Alline Day and Maurice Duty Altlin, accompanied by Mr. and Mrs. T. H. Misses Frances, Mary and Henry Power, of Aberdeen, are visiting their grandmother, Mrs. Martha E. Power, aunt, Mrs. W. L. Yellmay, of Rock Island Ill.

## COLORED METHODISTS HOLD DISTRICT CONFERENCE HERE

Delegates From Forty Churches in Cincinnati—Maysville District Arrive Here For Conference.

Approximately seventy-five delegates from the forty colored Methodist churches in the Cincinnati-Maysville Conference M. E. Church, arrived here this morning and registered at Scott's M. E. church, Fourth street, where the District Conference opened its annual meeting this morning at 9 o'clock with Rev. H. A. Foreman, of Cincinnati, District Superintendent for this district, presiding. Some of the most prominent colored Methodist ministers and laymen from the states of Ohio and Kentucky are in attendance and will take part in the programs being arranged for the balance of this week.

Pastor Hayden, of Scott's church, and his people are caring for the visitors splendidly and a great meeting is in prospect.

Meeting simultaneously with the District Conference is the Sunday School Association which brings to Maysville many of the leading Sunday school workers of this church and most interesting programs are expected from time to time.

There will be three sessions each day, morning, afternoon and evening, and on Sunday there will be great meetings throughout the day in charge of the best talent and leading pulpits of the two states represented.

## WIFE ASKS DIVORCE.

Mrs. Carrie Gifford, of the county, brought suit this afternoon in the Mason Circuit Court against her husband, Gilbert Gifford, asking a divorce and the custody of their only child, Elizabeth Gifford, two years old. The wife sets out in her petition that they were married at Maysville in January, 1917, and lived together as man and wife until January, 1919. As a cause of action the wife charges the husband with cruel and inhuman treatment.

## TIME FOR INQUEST IS YET UNFIXED.

Acting Coroner Fred W. Bauer has yet been unable to fix a definite date for holding an inquest into the death of Howard Montgomery, who was killed by a C. & O. freight train Sunday morning. The inquest is being held up until members of the train crew can appear and will likely be held the latter part of this week.

Miss Mary Frank Hughes, of Marion, Ind., is spending her vacation with her parents here.

## EDDINS WILL LIKELY GET RETRIAL THIS TERM OF COURT

Court of Appeals Dockets Local Murder Case and Decision is Expected Within Next Few Weeks When Case Will Proceed.

The Court of Appeals in placing the case of the Commonwealth vs. Henry Eddins on the fall docket did not specify a date for the case and this is taken to mean that the point of law in question in the matter taken before the high court will be decided within a reasonable length of time. County Attorney W. H. Rees stated today that he expected the high court would act on this point of law within three or four weeks and in this event the re-trial of the Eddins case will be taken up at the term of Circuit Court which opens on the first Monday in September.

Because of the election to take the matter of the admitting of a confession in evidence before the Court of Appeals, it was at first thought that the re-trial of the Eddins case would have to be postponed until the December term of court as a decision from the Court of Appeals was not expected within time to re-try the case this term.

Eddins, who remains in the Mason county jail, is very calm leaving all matters entirely in the hands of his attorney, Mr. Allan D. Cole. He still maintains that he was justified in killing Ben Schumaker, night watchman at the Maysville Cotton Mill and expresses a firm belief in his final acquittal.

The last trial of the case resulted in a hung jury and in order to get all legal matters perfectly plain before a re-trial the attorneys have taken the matter of admitting an alleged confession as testimony in the trial of the case, to the Court of Appeals for a decision, before proceeding with the re-trial.

## BETTER DAYS FOR RURAL SCHOOLS

Future Is Hopeful If Citizens of Kentucky Take Advantage of Opportunity Presented By New Law

When Mrs. Geo. C. Weldon was asked for a statement concerning the new school laws, which will become operative next November in the election of a County Board of Education, she said:

With the prospect before me of Kentucky's brilliant educational future, it is impossible to resist the pleasing temptation of urging that every man and woman, whether they be parent, teacher or citizen, add their interest, their energy and their support to the Cause of Education. May our glorious State not hold back, but by its every act add impetus through increasing interest in our school system.

od of raising the standard of the rural schools. The attendance officer provided for in the law will solve the attendance problem which has always been a grave one and the appointment of the right person to that position is of vital importance.

As President of the National Congress of Mothers' and Parent-Teacher Associations, and knowing full well the mighty strength of parents and teachers banded together for the welfare of children—our future citizens—I urge upon all women of the Commonwealth of Kentucky, active interest and participation in all helpful ways, in affairs pertaining to our schools. Find the particular need of your community and meet it through a Parent-Teacher Association.

MRS. GEORGE C. WELDON,  
 President of National Congress of  
 Mothers' and Parent-Teacher Ass'n.

Kentucky has sunk discouragingly low in the educational scale, but the present thoroughly aroused interest of the State at large in schools is encouraging and will do much toward pushing us upward. We belong near the top. We must make a place for ourselves there and hold it against all time.

The provision in the new school law for the election of a County Board of Education in each county seems the best solution of the problem of rural education. Therefore, my appeal is especially to women, whether they have children in school or not. Education through schools being the chief preparation for future citizenship, our duty lies in making them as efficient as lies in our power. To women is left the direction of children's education. In a large degree, so you must exert the recent privilege of suffrage in electing to your County Board of Education good, clean, capable and conscientious men who will use every influence to create and maintain a non-partisan Board.

Since the rural school is the great hope for Kentucky's educational rise, you women and mothers must wield a mighty influence both inside and outside the home, through the helpful and organized work of Parent-Teacher Associations. Every school district finds its Parent-Teacher or Mothers' Club a solution to most of its problems, whatever they may be, for it is a combining of the forces of the home and the school for the good of the school and to meet its every need.

Women, familiarize yourselves with the new school law, then form a Parent-Teacher Association in your community, or strengthen the one already formed, for the full enforcement and right interpretation of that law as it is unquestionably the only right method.

GENERAL E. H. WOODS,  
 President Kentucky Farm Bureau  
 Federation.

The safety of this nation lies in the education of all of its people. Therefore when the farmers of Kentucky go to the polls to vote in November for the Board of Education of the County, let them see only the welfare of their children, the interest of their state, the perpetuity of their nation, and put the rural schools of Kentucky forever out of politics, casting their votes for the most honest, capable and best qualified persons available for the position.

## UNUSUAL CONDITION

Texas Lady Suffered With Pulling and Aching Pains in Her Back, Which Cardui Relieved.

Houston, Texas.—Mrs. C. D. Cook, of 1912 Whitty Street, this city, recently said: "About four months after my marriage, I . . . began suffering much pain, and knew that my condition was unusual, but couldn't just decide what was wrong. I had to go to bed. . . .

"All across my back and hips were pains, pulling and aching until I could hardly sit up. I stayed in bed a few days. My husband had heard of Cardui . . . so I told him he might get it.

"After I had taken Cardui a few days, I was up. I took five bottles and haven't been in bed since for this trouble, for if I have the least symptoms of this trouble I get Cardui and take it in time.

"I have a number of friends who have used Cardui, and they recommend it very highly."

The experience of this Texas lady is similar to that related by thousands of other women.

Cardui is purely vegetable, and mild and gentle in its action. Cardui may be the very medicine you need if suffering with womanly troubles.

## LODGE NOTES.

Matters have been very active among the various local fraternal societies during the past few months and most every local organization has been taking in new members and taking on new life.

### Masonic.

At every meeting of the Maysville Masonic bodies there have been initiations and these bodies have been unusually active for the past two or three months. Representatives of the local Masonic bodies last week joined Masons from all over this section in assisting the Carlisle lodge in the celebration of its one hundredth anniversary and all attending report a most enjoyable time. At the July meeting of Maysville Lodge No. 52 F. and A. M. the Carlisle lodge sent down a delegation of about thirty members to assist in conferring the Master Mason degree and the local lodge returned their visit by sending a good sized delegation to the centennial celebration.

Great preparations are being made by members of Maysville Commandery Knights Templar to attend the 1921 Conclave to be held at Mt. Sterling at which time Hon. S. P. Browning, of Maysville Commandery, will be elected to Emminent Commander of the Grand Commandery of Kentucky and at which time Maysville will ask for the 1922 conclave. A club has been organized at Knights who will make the trip in a body taking with them the Maysville Boys' Band and maintaining headquarters while in Mt. Sterling. Already many have joined the club and many more are expected to join it during the year.

There has recently been organized a local Masonic Council which thus far has several members. A full set of officers have been elected and many other members of the Chapter and Commandery are expected to join this new Masonic branch soon.

### Odd Fellows.

Both subordinate lodges of Odd Fellows have been very busy during the winter, spring and summer and many new Odd Fellows have been made.

Pisgah Encampment No. 9 has profited by the making of these new Odd Fellows and some of the older Odd Fellows as well have launched out in the Patriarchal branch. One class some several months ago took the Royal Purple degree and the local camp expects to have another class ready for the highest degree in Patriarchal Odd Fellowship before many weeks, full announcement of which will be made in due time.

The degree team of the local camp has been called upon by Liberty Encampment at Germantown to confer the Royal Purple degree for them on Tuesday evening and quite a number from here attended.

Keen interest has been shown by local Odd fellows in the \$500,000 campaign for the endowment of their Orphans' Home at Lexington, since the recent visit here of the Girls' Orchestra from that institution and several liberal gifts have been made already. When the campaign is closed it is certain that Ringgold and DeKalb lodges can be proud of what their members have done in this respect.

### Red Men.

While all the local lodges have been wide awake there is not one that can meet the record made by the hustling warriors of Wyandotte Tribe I. O. R. M. These braves have been doing so much adopting that they have had little time for anything else. The corner of West Second and Sutton streets has been one of the busiest places in the whole city and a fine lot of youngsters have the local Indians induced to wear the war paint.

The recent quarter century celebration held by this lodge was one of the biggest events in the history of local fraternities and gathered about the banquet tables was to be found a fine lot of youngsters as ever put their feet under a table.

It is being whispered about that the hayseeds will have something doing on the famous old hay loft within a very short time and from the activities of the Chief Haymakers they must be preparing for the gathering of the largest hay crop they have ever put away in their history.

### Knights of Pythias.

Limestone Lodge Knights of Pythias has also been rather active for some time. They have knighted quite a number and it is understood they are planning a big social affair as soon as the fall season comes around.

### Knights of Columbus.

The Maysville Council Knights of Columbus has had the honor of entertaining the Grand Council this year and the meeting of that body here has been of much benefit to the local council. At every initiation held in this section this year, the local council has gained several new members. The K. C. club rooms in the O'Keefe building most any evening is proof positive of the liveliness of this organization.

### Tagles.

Maysville Aerie of Eagles has not been sleeping by any means and has done much work this summer. This order, famed for its social functions, has not attempted a "big night" recently but they have been keeping things pretty lively in the Nest. Past Worthy President Higgins with several other members is now at Syracuse, N. Y. attending the National meeting and upon his return big things can be expected.

### Elks.

Maysville Lodge No. 704 B. P. O. E. may be slumbering but she is by no means dead. The select social functions of the winter and spring months were very much enjoyed and more of these enjoyable events are promised for the fall and winter season now approaching.

Taken in all Maysville's fraternal organizations promise a most interesting season this winter. All of them will take on new life with the falling of the leaves and the arrival of the long winter nights. They have all done a most noble work in Maysville and they every one deserve the commendation and loyal support of every one.

Results That Last Are What Appeal to Maysville People.

Kidney sufferers in Maysville want more than temporary relief. They want results that last—Results like Mr. Lynch tells about. His was a thorough test. Four years is a long time. Doan's Kidney Pills have stood the test and stood it well. Why experiment with an untried medicine?

People here in Maysville have shown the way. Read the story of W. H. Lynch, shoemaker, E. Third St. He says: "My kidneys were weak and sluggish. At one time the action of my kidneys stopped altogether! I finally used Doan's Kidney Pills and in a short time the action of my kidneys became normal. I kept on taking them and they completely relieved me."

### TROUBLE NEVER RETURNED

Nearly five years later, Mr. Lynch said: "I haven't had any need of a kidney remedy since I last recommended Doan's Kidney Pills. They have permanently cured me."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Lynch had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

## DARK TOBACCO MEN FORM NEW COMPANY

Corporation To Market Crop in the Dark Belt Is Planned as a Remedy For the Low Prices.

Henderson, Ky., Aug. 25.—Organization of a corporation to handle and market their crops, thus dispensing with the present systems, which they blame for the "ridiculous prices" of tobacco, was launched here Tuesday at an enthusiastic meeting of the Farm Bureaus of the Second Congressional District.

It was attended by 200 farmers and tobacco growers from every county in the district.

The plan is to incorporate a company to be styled the Farmers' Bureau Tobacco Company, having a capital stock apportioned to individual growers to tobacco in proportion of \$100 to each five acres grown, and such stock to be guaranteed to pay 6 per cent. dividend annually.

The company is to acquire tobacco loose leaf houses, and no stock is to be sold until a sufficient amount has been subscribed to handle 60 per cent. of the dark tobacco in Kentucky.

W. T. Harris, Morganfield; Louis Hancock, Providence, and Henry S. Berry, Owensboro, were appointed as a committee to draft articles of incorporation.

The new organization expects to be ready for business within sixty days.

## COAL OPERATORS MUST SHOW BOOKS, SAYS JUDGE COCHRAN

Judge Cochran Orders Coal Operators and Dealers To Turn Books Over to the Special Grand Jury.

In a decision handed down yesterday Federal Judge A. M. J. Cochran of the Eastern Division of Kentucky held that the District Attorney has the right to subpoena coal operators now under investigation by special grand jury and compel them to exhibit their records for investigation.

The special grand jury was chosen on August 16 to inquire into charges of coal profiteering by dealers in Eastern Kentucky. The decision which was announced yesterday will result in the issuance of several hundred subpoenas by District Attorney Thomas D. Slatery.

The charge that certain coal dealers in Eastern Kentucky, from retailer to the wholesaler, were guilty of profiteering, will be investigated.

Arguments made by the dealers against the issuance of subpoenas were that it would put upon them the burden of proving their own guilt when they claimed innocence of the charge. They will be compelled to submit all of their records to the special grand jury, which will reconvene at Covington on August 30.

Judge Cochran's decision was brief. He said that a precedent had been established in previous cases in which coal operators have been compelled to exhibit their books before a grand jury.

## WELBURN-WILSON

Miss Mary Edith Welburn Becomes Bride of Bradfordville Man This Afternoon at Methodist Parsonage.

A pretty home wedding was that of Miss Mary Edith Welburn, daughter of Rev. and Mrs. W. D. Welburn, to Mr. Clyde O. Wilson, which took place at the Methodist parsonage Wednesday afternoon at 3 o'clock.

The spacious double parlors were tastefully decorated with potted plants and flowers and evergreens. The bride and groom stood under an arch of smilax, with lilies intertwined, while the ceremony was pronounced by Rev. J. M. Dunn, a great uncle of the bride, using the ritual of the Methodist church. Mr. Wm. D. Welburn, Jr., brother of the bride played the Mendelssohn Wedding March, continuing softly throughout the ceremony. The wedding was private, the attendance being limited to immediate relatives and a few closest friends. The bride was dressed in a traveling suit of dark blue with hat to match. The groom is a successful business man and farmer of Marion county and his friends thing him entirely worthy of the fine young lady he has won. The couple left on the C. & O. 3:40 train for Cincinnati and Chattanooga. They will be at home at Bradfordville, Ky.

The ship will later proceed to Buenos Aires, and from that port will sail for New York, where Leroy will be turned over to officers from Detroit.

## A WOMAN DOCTOR

says, "Eugenics is a necessary factor in the future of the race. The average American girl is unfit for motherhood." This may be true, but if weak and ailing girls passing from girlhood to womanhood would only rely, as thousands do, upon Lydia E. Pinkham's Vegetable Compound—that simple remedy made from roots and herbs—to restore the system to a normal healthy condition, it would cause many ills from which they suffer to disappear, so that motherhood might become the joy of their lives.

Mr. W. Hall Strode, of the Maysville Ice & Cold Storage Co., was in Lexington Tuesday on business.

Mr. Theodore Cullen and bride returned home Tuesday evening after a wedding trip of several days.
